#### **Release and Authorization**

By signing below, I declare that I understand all of the following statements:

The information gathered on this form will be used to start the eligibility review process, and that completing this form in no way guarantees assistance of any kind. Additional information will be required to establish eligibility.

I am authorizing Habitat for Humanity to evaluate my home's need for repairs under the guidelines of the Home Repair Program. In addition, I am declaring that I have read and understand the following information.

The evaluation will be based on:

- 1. Need for Repairs: The evaluation process will include a personal visit to determine if the home qualifies for the program. The criteria will be explained in more detail at the qualifying home visit. A second, more detailed scope of work inspection will be completed if the household qualifies based on the Ability to Pay determination as explained below.
- 2. Willingness to Partner: This will include providing requested documentation in a timely manner and participating in sweat equity, volunteerism, and/or classroom training. The number of sweat equity hours required will be based on the size/scope of the project.
- 3. Ability to Pay: If the house qualifies for the program, I will then be evaluated on the ability to qualify for grant funding to cover the repair costs and/or to repay a 0% interest loan. This will require employment and income verification for which I will need to provide the requested documentation.

I am declaring to be the sole owner(s) of the property listed at the address given and I have answered all questions truthfully. If it is determined any information provided is not true I may be disqualified from the program, even if I have already been selected to receive assistance.

I understand the original or a copy of this Client Intake Form will be retained by Habitat for Humanity even if the application is not approved.
