## Who We Are

**Wichita Habitat for Humanity (WHFH)** is a non-profit Christian organization that brings people together to build homes, communities, and hope. We provide affordable homeownership opportunities for low to moderate income families, as well as home preservation to income-qualified families, seniors, and veterans.

WHFH stands alongside our neighbors in Sedgwick County, building not just homes, but opportunities. Through construction projects, repairs, and community initiatives, we impact hundreds of lives each year, removing barriers to affordable housing.

**We offer a hand up, particularly for women and families facing challenging circumstances, because we believe everyone deserves a safe and stable place to call home.** This is not possible without the unwavering support of our community, the hands that help build, the hearts that give, and the voices that champion our cause.

## Why Women Build?

By supporting Women Build, you not only contribute to the construction of essential affordable housing, but also play a key role in fostering resilient and thriving neighborhoods that will endure for generations. Your involvement in Women Build positions you as a leader addressing the crucial issues of affordable housing and equity building in the inclusive and sustainable growth in the Sedgwick County.

**Participants in Women Build engage in a collaborative environment, guided by construction professionals, and work alongside fellow volunteers and future Habitat homeowners. This program actively recruits and trains women to contribute to the creation and maintenance of decent, healthy, and affordable homes within their community. It serves as a unique platform for women to learn new skills, gain confidence, and empower one another.**

# Women Build 2025

## Gather a Team & Build!

For 2025, we aim to inspire and motivate like-minded women to participate in the revitalization of existing homes on a city block, creating a positive impact on the neighborhood. Join us in this exciting endeavor by recruiting teams of 10 friends, family and/or coworkers for a Build Day, beginning in March 2025.

Wichita Habitat for Humanity helps low income families find opportunity, stability, and improve their futures. We help build stronger families and neighborhoods through homeowner education, including financial literacy. We partner with donors and volunteers to construct safe, affordable homes and to repair existing homes.

Seeking to put God's love into action by bringing people together to build homes, communities, and hope.
